Confirmation of Insurance

We hereby confirm that the company Gumdrop s.r.o., has a valid liability insurance policy set on all of its vehicles in its bus fleet, by Česká pojišťovna Inc.

It is a fleet insurance where each new vehicle is automatically included in the list of insured vehicles.

The liability insurance covers insurance events occurring in the domain of the Czech Republic or a foreign country stated in the list set by the official announcement of the Ministry of Finance and in the green card.

The insurance coverage amount for any injury on health or in case of death, is 100 million Czech Crowns per each injured or dead person, and 100 million Czech Crowns for the material damage or damage resulting in a loss of profit.

The insurance coverage granted by the Green Card /International Motor Vehicle Insurance Card/ issued by the authority of The Czech Bureau of Insurers Pratur is governed by the laws and legal regulations related to the liability insurance of the particular visited country.

The Bureau of every visited country takes over the insurer's claims, which are in accordance with the liability insurance laws of that particular visited country.
